Des D Mel Promotions

Dear Desmond,

Eng Leong Medallie D & D 2010 (Shanghai Nite)

We sincerely would like to thank you and your team (especially Jowett) for making our D & D an enjoyable & memorable night. This is the first time our company used an event organizer and it was really wonderful.

The illusions and Suzie Wong's show was very entertaining. We were impressed of your ability to be able to juggle in different languages (English, Chinese, Cantonese & Hokkien) at a time.

We appreciated you and your team for accommodating our changes without hesitations and to be able to complete all activities as per planned even though we have delayed the start timing of the event. The overall setup of the ballroom is splendid.

Great job Desmond & Team!

Thanks once again.

Yours Sincerely,

Committee Chairman

Grace Chin
