

Hi Desmond/Crystal,

We want to thank you and your team for making our Employees' Night such a success.

It is one of the most memorable and fun Dinner & Dance we have experienced in the last decade, whilst maintaining fun and team spirit as key attributes of this event. The organization and delivery of the event was handled with enthusiasm and professionalism from the Des D Mel crews, and you have delivered what the brief prescribed.

We really appreciate that you were able to work around our continual changes up to the day... As mentioned above the whole experience has been great and we have no hesitation in recommending you for similar events in the future.

Once again, Thank you guys.

*Regards,
Justin*
