LETTER OF COMPLIMENT

Dear Desmond and Felix

Let me express my sincere thanks to Des D Mel Promotions for the successful completion of our Ministry of Manpower Work Pass Division Dinner and Dance on 1 Mar 2008. I and my organizing team are impressed with the very efficient and friendly manner which you and your staff have delivered your services. Guests at our D&D have thoroughly enjoyed themselves that night with Desmond's wit and humour, and are happy with the programme items put together.

2. I wish you success in your future projects.

Yours sincerely
