**Re: Mitsubishi 30<sup>th</sup> Anniversary Dinner & Dance 2008**

Dear Desmond & DesDMel Team,

On behalf of Mitsubishi Overseas Headquarters Pte Ltd (MOH), we want to express our gratitude and sincere thanks to Des D Mel & Team for the really excellent and professional job in hosting our 30<sup>th</sup> Anniversary Dinner and Dance event on 25<sup>th</sup> Oct 2008. The entertainment, games, music, magic show, Ming Sensation show, etc. were very enjoyable, entertaining, refreshing and exciting. Desmond, the Master of Ceremonies did a great job in getting our VIPs, guests and employees to participate and to enjoy the programme. His humour, jokes and ability to hold the audience is 1<sup>st</sup> class!! We are really impressed and appreciate his contribution and Des D Mel team to make our dinner a great success.

Overall, this has been one of the best & most memorable company dinner events in many years and it is all thanks to your good team.

My company director Mr. Tan Chin Yeow also appreciate very much the success of the anniversary dinner celebration and is very impressed by the great entertainment and smooth running of the whole evening's programme.. He has even spoken and recommended your company to some of the business associates who came and inquired about you.

We will definitely not hesitate to use Des D Mel for our future company functions again.

My personal thanks again, as Chairman of the organizing committee.

**Great Job! Excellent !! Well Done!**

**Thank you!**

Yours Sincerely

.....  
Mau Teck Hwee
