THANK YOU

On behalf of ACE Insurance Recreational Club (ACE Insurance Limited), I would like to convey my thanks for the excellent job done on our Annual Dinner and Dance dated 26th November 2004.

That night went without a hitch, due to the high level of professionalism – from the planning to the execution of all plans on that night, everything went to perfect detail. Most important is that the attitude of the staff is commendable, going all the way to make our D&D enjoyable. To that, the organising committee would like to express our appreciation to you and your team for the job well done.

I would like to mention special thanks to Shaomei and Benji for the dedicated support during this project – Shaomei for the initial coordination phase and Benji for ensuring that night was executed exactly to plan. Also to Desmond, whose impeccable compere talent entertained the company staff to no end. My committee has since received many favorable comments.

I have enjoyed working with Des D Mel Promotions and would certainly look forward to further collaborations in the future.

Sincerely,
