### **Des D Mel Promotions**

On behalf of the fun committee of eBay & PayPal, I want to extend our sincere gratitude to Des D Mel's team for making our Dinner & Dance party a complete success.

This was the first time we had tried a different venue for our company and I was a little leery about its success. However, the praises that I received in choosing Des D Mel Promotions was overwhelming. The surprises on the final lucky draw had people talking a lot afterwards. I have not heard one negative response to the event.

I want to extend my personal thank you to Desmond and his staff for wonderful theme his team had put together. From the banner, the invite tickets, and to the around the world décor, throughout the night people were engaged in the event. Your staff was professional and attention to details, the event was run smoothly and most important kept within schedule. You accommodated our every need and made this event a huge success.

I hope you enjoy the night as much as we had. You definitely come as highly recommended and once again, thank you for making everyone who attended the event on December 3<sup>rd</sup>, 2009 a memorable evening.

Sincerely,

Jerry Tso
