On behalf of our Executive Vice President, Mr. Hope, the organizing committee would like to extend our appreciation and thanks to Des D Mel Promotions for the excellent and professional services rendered during the evening of our Annual Staff Function.

The pyrotechnics were impressive and was a good lead into the events for the evening. The activities line-up for the evening was splendid and augurs well with the theme of the evening (Arabian Nights and the Legends of Thousand and One Nights).

The audiences were captivated by your illusions and were also entertained by the showmanship of Suzie Wong.

We would also like to commend on your role as the MC for the evening which was entertaining and creative. Special thanks also to Adam Tan for doing a wonderful job in coordinating the evening's event.

Our VIPs including our EVP and also our Special Guest, Mr. Lim thoroughly enjoyed the evening. Thank you to you and your team for making the evening an enjoyable and memorable one.
